

Dear PSA Members,

I am sad to announce that two active PSA members have made their life transitions recently:

KAY SNODGRASS **FRITZ SUTER**

Please visit our website to see their art and bio-statements, and give KAY and FRITZ a moment of remembrance. Their art represents a diverse joy of life and a wealth of artistic talent. At least one family member of Fritz would like to see his art memorialized, so if anyone has an idea of how to work with the family, let me know soon.

On a brighter note, I am happy to report that PSA has selected a PCC art student as recipient for our first \$1,000 scholarship. This student and two others also receive a PSA membership. Jenkins Shannon, Executive Director of Pasadena Museum of California Art, offers memberships to these students also. Thanks to Gina Fernandez for coordinating this project along with the juror help of Rhonda Raulston and George Paul Miller.

[NEW MEMBER SCREENING - April 16th.](#) Direct any potential member to our website page, "Join PSA". It would be great to see more cultural and racial diversity in PSA.

I am asking for members to volunteer for distinctive PSA positions: Recording Secretary and Newsletter Editor (which could be one person), Exhibitions Directors, and Special Events Coordinator(s) like Artwalk. If one of these jobs sound appealing, contact me at your earliest convenience. We are all volunteers, you know.

PSA members are welcome at all Board Meetings. Email me your concerns that need the attention of the Board.

Come to the April 2nd General Meeting to enjoy your friends, and for more information about the future of PSA 2016. We can plan special summer activities and new exhibits.

Bring art work to show as well. Artists guests are always welcome.

Sincerely,

Victor Picou
