The area is called Frogtown, but officially it's Elysian Valley. It's the strip of land between Riverside Blvd to the LA River, just south of where Hwy 2 meets I- 5... east of Echo Park. Easiest route is to turn off Riverside on Newell and straight towards the river 'til Blake... turn right and follow the numbers. There's plenty of street parking. It's probably best to just Google it, but give Steve a call if you need to.
